**I have worked in the conference industry for over 15 years. Starting as an Autocue operator and then working for a production company specialising in graphics and assisting in production. I then worked as a freelance graphics operator for many years. From this role I found it natural to showcall too and although not theatre trained, my general experience holds me in good stead. I now specialise in Production and most of my work is in this role, although I still regularly work as a graphics operator and showcaller.**

**I find my varied roles in the industry to date really help me to have an in depth understanding. I am a great people person and find this invaluable both with clients and crew. My attention to detail and ability to coordinate projects from start to finish is what really helps me to achieve a successful end result for all concerned.**
