Recently produced 15th Anniversary entertainment at Dubai World Cup 2010 at the Meydan Race Course. Strong interpersonal skills. Considerable experience working with senior management and government ministers. I enjoy working with clients developing scripts and visuals and shaping the final presentation. I work well in a team or leading one. I have a strong back ground in staging events founded in fifteen years in the theatre. I've worked in Europe, USA, Japan, Australia, Africa and the Middle East. I have a degree in Arts and Leisure Administration.
